To one of the most nicest, cutest, greatest

and next year you will be a punky little
sophomore. Really got around at The Party

Rosebud's house be careful, cause I
heard your bike is a little wobbly.
You'll probably be at all the parties
and tell Mike not to get too drunk.
See you around a lot this summer
and try stay out of trouble (impossible!).

CHIEF STAFF DEDICATES THE 1975 YEARBOOK TO MR. EATON!

During the four years Mr. Eaton has been at MCHS, he's developed a great relationship with the students. As a teacher, he is well-liked by his students. As a coach, he is respected by his players. We would like to thank Mr. Eaton for his involvement in MCHS as a teacher, coach and M-club sponsor but most of all, we would like to thank him for being someone who really listens to us when we speak.

DECLARATION OF DEPENDENCE —Henry Gibson

I am a part of Nature.

I am a part of everything that lives.

I am bound together with all living things in air,
in land, in water.

My life depends upon Nature, upon its balance, upon
its resources and upon the continuity of both.

To destroy them is to destroy myself as a member of
the human race.

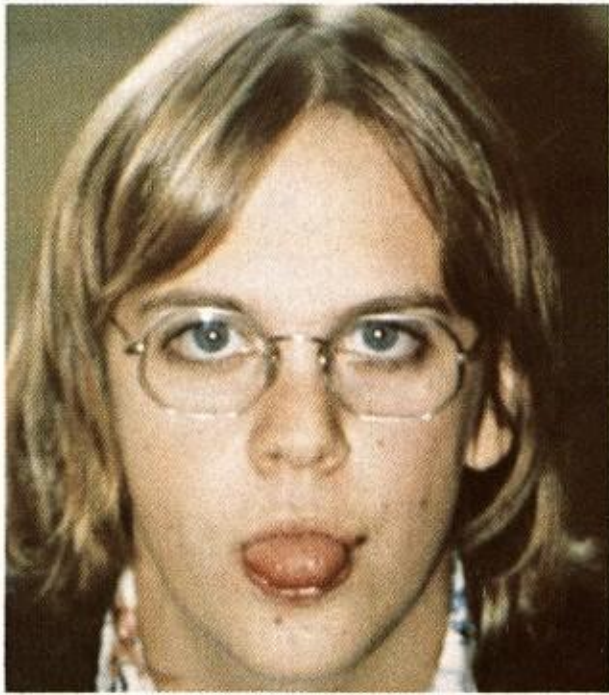

I am responsible for the survival of both.

When we look around us, we see beauty. Nature is
beautiful . . . trees . . .
flowers . . . animals . . .
people—people? Yes, we
are beautiful too. As
we look into the pond, we

Remember all the fun

as cute & sweet as you are
and you've got it made.
Lots of luck cheering.

Seniors Win Girls' Football Game

Homecoming

The senior girls once again were victorious and won the girls' football game, 24-0. D. Wackerman and Lisa Moss pulled in the needed touchdowns. (Last year, as juniors, the girls also won with a score of 21-7.)

Rick Pinder has coached the senior girls to their victories both years and Dave Olson, Jim Hougas and George Allen worked with the girls this year.

The juniors were coached by two fine coaches, John Allaben and Joe Fruland. They hope the experience gained this year will help their spirited team win next year. The juniors are looking forward to next year's game with optimism.

The Varsity team had a rough time this year. They were plagued with bad injuries; Greg Enerson with a bad concussion, John Allaben had two knee operations and Rob Darin fractured his ankle during the pre-season practice. The team made good efforts but just couldn't get up enough steam for the 2nd halves. Also there was tough Little Seven competition.

The 1974 Sophomore team ended a disappointing season with an excellent game ending in a 6-6 tie with Streator, the Illinois Valley Conference champions. The sophomore Redskins compiled a 2-7-1 record for the season but played well in almost all games. There are many good football players on the young Redskin team. They showed an explosive offense during the season and they always gave a 100 percent effort in all their games, developing a very strong team spirit. Next year will be an exciting one for them.

This year's Frosh team had a disappointing season with a 2-7-1 season record. They did win against Marquette 20-6 and Geneva 26-6 and tied with Batavia 6-6. The freshmen played with determination and spirit and they do show promise for future years.

Cross Country

In the 1974 season, the varsity Harriers posted an 11-8 record. Morris participated in several Invitationals in which they ran away with a 3rd at Minooka, 5th at Plainfield, 6th at Kaneland, and a 9th place at the Joliet Area Meet. The Redskins finished 5th at the District Meet, which qualified them to participate in the Sectionals in which they placed 14th. The Frosh-Soph squad comprised of one sophomore and six freshmen, posted an 8-10 season.

The 1974-75 Varsity Redskin Cagers compiled a 9-15 record this season. The season was frustrating because the team showed ability to compete with the other teams for 2 or 3 quarters, but wound up losing by a small margin. The Redskins took a third at the Lincoln Tournament and a fourth at our own Holiday Tournament. The sophomore Redskins posted a season record of 9-12. The sophs got off to a good start but began to fall off in mid-year. After many disappointing games, the team pulled together and started playing well. If the sophs continue to work hard, they should bring promising talent to next year's varsity team.

The 1974-75 freshmen Redskins posted a 4-14 season record. Although their record was not very impressive, they showed extreme improvement over their first week of practice until their last game. Next year we can look forward to a strong sophomore team.

Golf

The M.C.H.S. Golf team had, to some extent, a successful season, even though they lost more matches than they won. The team's record was 6-11-1. The team finished fifth in the Little Seven Conference meet, seventh in the District meet and twelfth in the St. Bede Invitational. This year's team won more matches than they have in years past. The Sophomores who had an 8-11 season gained valuable experience last spring. Coach Shultz was very pleased with the progress they made. Tim Perry and Randy Poole were co-captains while Dennis Stacy was leading hitter and Rick Carlson was Most Valuable Player. The Freshmen team was very determined to win last year. They came back from a early losing record to end the season 9-7. This shows real improvement and hope for a good sophomore year.

The 1974 Girls Tennis Team had some tough competition this year and had an inconsistency problem as they posted a regular season record of 4-7. Even though the girls played some excellent tennis they lost matches by 1 and 2 points. Track

This years track team was the second such team at M.C.H.S. The team's record was 4-4 overall. Highlights during the season were sending Graduate Chris Stidley and Diane Hextell to the Second Annual Girls Field and Track State Meet at Eastern Illinois University. Chris was the only member of the '74' squad to graduate so the remaining team members gained valuable experience from this season's competition which will benefit next year's team.

Drivers Ed., Nurse, and Counselors

The guidance counselors are always willing to help students with questions concerning their futures. The school nurse is also important. She takes care of absentees, sickness, and provides for the physical welfare of the students. Consumers Ed. helps students in the purchasing field, where Safety Ed. is the instruction half of the course.

Mrs. Mosimann

The Business World

The business courses offered at M.C.H.S. help prepare students for the future in the business world. The library is also a great asset to each student's life. It is kept open and going strong with the help of Library Club members.

History

History is being made every day. World History gives students the history of different countries, U.S. History deals with the study of the U.S. from colonial times to the present. American Government and Social Problems help students understand their government, citizenship, and problems we're facing in present day society.

Foreign Language

Although a foreign language is not required, knowing another language can prove to be very useful. At M.C.H.S., students may have three foreign languages to choose from: French, Spanish or German. Latin was dropped from the curriculum this year due to lack of interest.

The Class of Seventy-Five

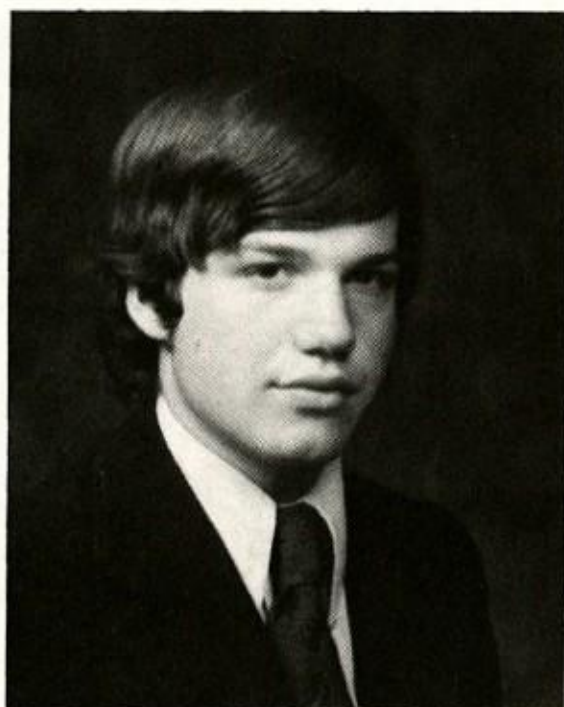

Officers: Sec. K. Turner, Treas. G. Allen, V.-Pres. M. Wilhelmi, Pres. L. Olson

We are on the threshold of our lives. We all dream of great deeds and high positions. Yet success is not occupying a lofty place or doing conspicuous work; it is being the best that is in you. Make the most of what you have and are. On behalf of the Seniors, I would like to thank all our teachers and sponsors who have encouraged each of us to bring out the best in ourselves. May our appreciation be shown in our lives.

Lori,
Don't
you

forget Fred's party. I'll never forget standing in the door laughing. What a night. The next time we take off in the volkswagon I think I better tell Barb. Most of all don't forget Pep Club Prom with Willford. You had so much fun I bet you ask him again next year. I can't wait till we start cheering again. Don't forget all those fun games we had, especially when I fell right on my ass. That wasn't even funny. Don't forget all the running we did before I quit track. I guess I proved who is the lazy one. Our plans never did work out with

Lori,
To a real
good friend,
Have fun during
the summer. Try
to be good. We're
going to have fun
next year in cheerleading,
I still can't believe it as
though, good luck as
a sophomore.
Hope to see ya

Loie, (B.V.)

You gotta take it easy
during gym class from now on!!
Your dream came true & it stayed
true! (Tom) but mine didn't. Hope
ya have fun over the summer
& don't forget me!

Lori.

When I think of all the fun times we had together I really don't know where to begin. It's hard to believe this year is over already but just think next year we'll be big sophomores. There've been good friends for a real long time and I hope we always will be. You are about the only person I can tell my problems to and know that the whole school won't know the next day. Remember in Spanish with 9-90 and in English with Poe. We always did get the best teachers didn't we? Don't forget all the fun things we did at the basketball games and getting up early on Saturday mornings to ride the bus. I'm really glad you made it for cheer-leading. You are really good at it and I know for ^{HA HA} sure (remember that!) that you'll make it every year.

Remember our little ride we took + the cute ~~the~~ little raccoon we saw on the way. I hope your mom enjoyed her chocolate cake. Oh and don't forget the other night you stopped by on your bike with Sue. Boy, did we have a blast!!

I hope you don't forget all the fun times we've had. It's impossible to write them all down on paper. Just remember to stay as adorable + sweet as you already are. You're the best friend a girl could have. Have fun with Jon + be good!!
